

Quality Policy

Quality Policy

Kasdi Merbah University – Ouargla, through its faculties and institutes, seeks to cultivate a culture of quality as both a strategic choice and a fundamental driver for the continuous improvement of its performance. This commitment aligns with the directives of the Ministry of Higher Education and Scientific Research, as well as with sustainable development goals at the local and national levels.

To achieve this objective, the Rector of Kasdi Merbah University – Ouargla is committed to the following:

- 1. Complying with the legal, regulatory, normative, and contractual requirements** related to Higher Education and Scientific Research, while ensuring that the university's activities and interactions conform to existing standards, contracts, and agreements, within a framework of governance and transparency.
- 2. Placing the student at the core of priorities** by enhancing the quality of education and ensuring its alignment with the requirements of development and innovation; updating the educational framework to ensure its coherence with the National Qualifications Framework and academic quality standards; and fostering the integration of digital skills as well as a culture of entrepreneurship and innovation across all educational pathways.
- 3. Enhancing the environment and outputs of scientific research and innovation** by strengthening research governance, encouraging publication in indexed journals, promoting both national and international scientific cooperation, and directing research efforts towards addressing the needs of the socio-economic landscape.
- 4. Empowering and engaging faculty and staff in the quality management system** by reinforcing continuous professional development, thereby building the capacities required to acquire essential competencies for efficient and sustainable institutional performance.
- 5. Strengthening partnerships with socio-economic partners** by establishing strategic collaborations and cooperation initiatives, both nationally and internationally, aimed at facilitating knowledge and technology transfer, valorising applied research, and assisting in the integration of graduates into the labour market.
- 6. Establishing a culture of ongoing improvement and institutional excellence** by implementing the quality management system in line with the ISO 9001:2015 Standard and working towards its enhancement.

This policy reflects the commitment of the University of Kasdi Merbah – Ouargla to improving the performance of its services related to higher education and scientific research, in response to the requirements of interested parties, within an effective, innovative, and socially responsible university. The Quality Policy is published across all levels and to all interested parties, with careful attention to involving the various actors in its execution. It is subject to periodic review to ensure its alignment with the evolving institutional, national, and international context.
